**LITTLE BLUE BOOK  
OF COCKTAILS**

## ...THERE WERE THREE BARTENDERS WORKING TOGETHER IN LONDON'S WEST END...

They struggled to find a place where people could go to relax, have great quality drinks and receive really friendly service. It was time for them to do it themselves.

After approaching their bank managers and securing car loans, they bought a run down Indian restaurant on Battersea Rise. After a little spit and polish, Be At One opened its doors in May 1998.

With a philosophy as simple as consistently high quality drinks, great service and a soundtrack of classic tunes, these bartenders ran the bar for the first year without any staff. It is this "hands on" approach that set the tone for what Be At One is today.

**SO PLEASE CHOOSE A COCKTAIL, LET YOUR HAIR DOWN AND PREPARE TO ENJOY THEIR LEGACY.**
